## MEGHAN TRAINOR SCORES FIRST NUMBER ONE ALBUM

### CHART CONFIDENTIAL

By Paul Tuch  
paul.tuch@nielsen.com

Meghan Trainor's first full-length album, "Title" (Sony), debuts at number one on the Top Albums chart, with over 12,000 units sold. The sales total is two-thirds of the total sales sold of her four-song EP, also called "Title," which peaked at No. 17 in September. Both releases include the former number one hit "All About That Bass," which was the third best-selling digital song of 2014.

The current number one Digital Song and Canadian Billboard Hot 100 No. 1 "Uptown Funk" is featured on the No. 3 debut on the Top Albums chart this week, Mark Ronson's "Uptown Special" (Sony). With 4,500 units sold, it is the same amount of copies sold in one week than his last album, 2007's "Version," has sold since its release.

Dan Mangan + Blacksmith's "Club Meds" (Arts & Crafts) debuts at No. 10 with 2,300 units sold. It matches the chart peak of his last album, 2011's "Oh Fortune," which has sold 23,000 units since its release. "Club Meds" lead single, "Vessel," is currently sitting at No. 9 on the Modern Rock airplay chart, his highest charting airplay hit to date.

Maroon 5's "Sugar" (Universal) is the Hot Shot Debut on the Canadian Hot 100, entering at No. 3. It is their second highest debut to date, only surpassed by the No. 2 entry of "Payphone" in 2012. The song debuts on the

Digital Songs chart at No. 4, with 19,000 downloads sold, and enters at number one on the Canada Streaming Songs chart with 1.8 million streams.

"Sugar" is one of four songs this week that posted over one million streams over the seven day period, the first time this has occurred since Nielsen Music began tracking streaming activity in Canada. Taylor Swift's "Shake It Off" and "Blank Space" and Mark Ronson's "Uptown Funk" also had over one million streams this week.

Ed Sheeran's "Thinking Out Loud" (Warner) falls one spot to No. 5 on the Canadian Hot 100 but scores Greatest Gainer/Airplay honours. The song moves 14-7 on the Hot 100 Airplay chart with a 36% audience increase.

Imagine Dragons' "I Bet My Life" (Universal) rebounds 28-16 on the Canadian Hot 100 and picks up Greatest Gainer/Digital honours. The song vaults 21-8 on the Digital Songs chart with a 128% download increase.

Kelly Clarkson's "Heartbeat Song" (Sony) debuts at No. 37 on the Canadian Hot 100. The song, the first single from her upcoming album, debuts at No. 22 on the Digital Songs chart and is the top new entry on both the Mainstream and Hot AC airplay charts.

Meghan Trainor's "Title" debuts at number one on the Top Albums chart.

The most popular songs according to all-format airplay audience impressions and on-demand streams measured by Nielsen BDS and digital sales data compiled by Nielsen SoundScan. To qualify for this chart an artist must a) be Canadian and meet the CRIC 'A' definition (music or lyrics principally performed by a Canadian artist) and b) the selection must qualify as Canadian content (CanCon). Artists are considered emerging until 12 months after the date their first Canadian Hot 100 charting entry reaches the top 40. Artists that pre-date the Hot 100's June 2007 launch are judged on the historic CRIC regulations for Hit and Non-Hit. Once an artist has a title disqualified on these points, their entire catalogue is disqualified. ● Titles showing an increase in overall points over the previous week, regardless of chart movement. ♣ Indicates CanCon. ©2012, Prometheus Global Media, LLC and The Nielsen Company.

ROYAL BLOOD SCORES 1ST ROCK NO. 1

British rock duo Royal Blood pick up their first number one song as "Figure It Out" jumps 2-1 on the overall Rock chart. The song vastly improves on the No. 35 peak of their first charted song, "Out Of The Black." It is the first chart-topper at the format for a first time charted artist since Kongos' "Come With Me Now" spent three weeks at No. 1 in March.

Seether's "Same Damn Life" jumps 3-1 on the Mainstream Rock chart. Four of their last five releases have now reached the top of the format. Ed Sheeran's "Thinking Out Loud" scores the biggest spin increase at CHR, leaping 31-16.

Calvin Harris has the top new entry at CHR at No. 37 with "Outside." It is the follow-up to his No. 2 hit "Blame."
